Kimberly High School (KHS) -Behind the Wheel Only/6+6 Program

Thank You for your recent inquiry concerning our teenage driver education program. TRI COUNTY DRIVING SCHOOL INC. is state approved for driver education training. Also TRI COUNTY DRIVING SCHOOL INC. is a member of the BETTER BUSINESS BUREAU. Our instructors are all licensed driving instructors.

Tri County Driving School has been working with the Kimberly High School Driver's education program since 2000. We have built a very positive relationship with the Kimberly Community. Our staff works hard to maintain our strong reputation. Our Goal: to educate motorists to be responsible defensive drivers. Our dedicated staff is eager to help achieve this goal.

We recommend the student enroll in our program a few weeks before their Driver's Ed class ends (or right before student turns age 15). Our office will notify the classroom teacher. On the final day of their class, all enrolled students will receive an envelope that includes the MV3001 form (needed form to receive TEMPS.). Must have a parent/legal guardian bring that form to our office location for us to sign/date BEFORE going to the DMV to get student's TEMPS"

Driving times are available for your teen year round.
